## Gee-Davenport.

Miss Leota Davenport was united in marriage to Mr. Charles W. Gee at the residence of the bride's parents, 3530 Dearborn street. Many invited guests were present, and many useful and pretty gifts were presented. The couple left at 9 o'clock for the depot amid showers of rice, and will spend their honeymoon in Denver. They will be at home after Oct.

Minco's Trocaderos. Miaco's Trocaderos.

Miaco's Hulton's "Jolly Grass Widows" are at the Trocadero, presenting a burlesque performance refreshingly free from off-color jokes or shady dialogue. The usual two burlettas are given, Carrie Fulton, a Chicago girl, taking the leading roles with cleverness and a liberal display of elaborate costumings. Frank Evans is attending to the ch'sf comedy characters, and the supporting chorus is above the average for numbers and facial beauty. Between the burlesques is presented a long specialty ollo, including among others, numbers by Paulo and among others, numbers by Paulo and among others, numbers by Paulo and Dika, French farceurs, Heyman and Hey-man, "the Yiddish Twins," Pat and Mat-tie Rooney, Wilson and Halpin, and the blackface team of Evans and Vidocq.

subscriber Who Failed to Notify the Publisher to Stop His Paper. Justice Johnson, of St. Paul, has decided in the case of the Odd Fell view against John Gaffey, that if a subscriber desires to have a paper discon-linued to his address, he must firset pay the publisher the amount he owes for subscription, and make a request that the paper be discontinued to his address. The evidence in the case brought forth the facts that Gaffey subscribed and paid for the Review for one year, and that he continued to accept it after his sub-scription had expired. Later he changed his address without notifying the put isher, and claimed not to have received the paper. This, the court held, was through no fault of the publishers, who received a judgment for the amount due

Will Teach Them a Lesson. The editor of an exchange says he is true Christian, an adamantine pillar of the church and loves sacred songs, but when he hears a man who owes him three years' subscription singing "Jesus Paid It All," he feels like shedding his Christianity for a few monments to go over with a club and give him a receipt

Nothing more forcibly marks the weakness of a bad cause than persecution. Satan, who has no truth to pro pose to men, comes with axe and sword to make way for his errors. Christ's method is wisely different. He teaches the truth, and says: "If any man will come after me and be my heart He uses no violence, but says "Open to me, my sister, my spouse. If we open he comes in; if we will no open he retires; for the truth is not preached with swords and spears, not by bands of soldiers, but by counsel and pursuasion.-Athanasius.

GREAT NATION

The Jews of the World Might Constitute.

Three million Jews live in Russia, where they are shut up in the western provinces and villainously treated. If he ventures to live outside the Jewish pale in Russia a Hebrew has to carry on some humble trade, and the richest banker in Odessa, if any Russian has a grudge against him, may be compelled to work as a cobbler on pain of banishment. Naturally the Jews retaliate, and delight in getting Russian officials and nobles under their power with loans of money. One million five hundred thousand Jews live in the Austrian empire, where they are persecuted. The present mayor and On Thursday evening "The Home Club" gave a stag party in honor of W. M. Mc-Card, who will in a short time leave the city for Atlanta, Ga., where he will make his future home. Mr. McCard is a very deserving young man, and he has the best corporation of Vienna were elected for the express purpose of bullying the Jewish community. France has 80,-000 Jews, Roumania has 100,000 Jews, Germany 700,000, Holland 80,000, and Germany 700,000, Holland 80,000, and Dr. E. N. table and popular public men. Europe has 6,000,000 Jews, America 350,000 Africa 500,000, Asia 250,000, and Australasia 20,000. So altogether there are 7,120,000 of this nation, which is pretty fair, considering that 3,000 years ago they only numbered about 3,000,-000, and the whole civilized world has been massacring and bullying them ever since. They seem to be by far the most capable race on earth. There is not a single art, industry or science in which they have not excelled.
